

Primary Phonics - Sounds/Symbol Knowledge

Grades K - 3 & SPED

Professional Development Workshop

DATE January 23 and 24, 2018
TIME 9:00am - 3:00pm
LOCATION The College of New Jersey
Ewing, NJ

Led by Christine Delmas
Project Read Endorsed Consultant
14 years teaching experience in
New Jersey classrooms.

Language Circle Enterprises proudly represents the Project Read curriculum. This time-tested curriculum was developed in 1973 by Dr. Mary Lee Enfield and Victoria Greene. The curriculum honors diverse learning profiles and provides lessons built on direct concept teaching, targeted multi-sensory strategies, and higher-level thinking skills.

Attend our two-day workshop for all teachers, Reading Specialists, and Child Study Team members to learn essential details on the Project Read Phonics curriculum.

Project Read Phonics program is appropriate for use in general education or special education classrooms with children who struggle to read.

DEVELOPING ACTIVE, THOUGHTFUL, PURPOSEFUL READERS

Project Read Phonics curriculum applies sound/symbol knowledge to spelling and reading comprehension using targeted multi-sensory activities and direct instruction.

THE COLLEGE OF NEW JERSEY
DYSLEXIA INITIATIVE

Primary Phonics - Sounds/Symbol Knowledge

Grades K - 3 & SPED

Professional Development Workshop

TCNJ Dyslexia Initiative

The mission of the Dyslexia Initiative is to become a key resource for families, teachers and schools in New Jersey regarding the identification and education of children with dyslexia and other severe literacy disabilities.

Who should attend?

Reading Specialists and CST members, and anyone interested in learning multi-sensory techniques, structured literacy and advanced decoding skills .

What will I learn?

Direct Concept Teaching

- Making the abstract concepts concrete and meaningful
- Relating concepts to prior knowledge

Sequencing Instruction

- Concepts in dependent order
- Skills that embody the concepts

Targeted Multisensory Instruction

- Visual
- Auditory
- Kinesthetic
- Tactile
- Body Language

Application (Teach to Transfer)

- Integrate decoding into Reading Comprehension, Spelling, and Written Expression
- Apply across the curriculum

What else?

Registration is two steps

Step 1. Register on line at: <http://tcnj-phonics.bpt.me>

Step 2. Call Language Circle Enterprises to order materials: 800-450-0343

Learn about Project Read Phonics at: <https://www.projectread.com/>
